SCOTT WISDOM

Chris, Hick, Boo, Dribbles, Chick, Woman, etc.)

I've really enjoyed being friends with you. You and I have become pretty good friends since the beginning of school. You are the only girl that's been my best friend. You've helped me through alot of things. Everything we do ~~at~~ ~~is~~ is fun. I always enjoy being with you. During the summer when you get your license, you better take me out. We'll have so much fun in the summer! PARTY TIME!! I hope you don't work all the time or else that only leaves the nights to have fun. We really have to do something over the summer. I kind of feel that since I told you I like you, we have grown farther apart. I never want that to happen. I hope we become closer friends over the summer and next year. YOU ARE REALLY A SPECIAL PERSON. YOU ARE BEAUTIFUL, INTELLIGENT, AND VERY ATHLETIC, ETC. NEEDLESS TO SAY, IF YOU AND MITCH BREAK-UP EVER, YOU KNOW WHO TO CALL. BUT I DOUBT THAT WILL EVER HAPPEN. I HOPE HE REALIZES WHAT HE'S GOT, OR ELSE HE'LL LOSE IT. DURING THE SUMMER YOU BETTER DO ALOT OF STUFF WITH US, BECAUSE WE HAVE ALOT PLANNED. I KNOW YOUR GONNA TAKE US TO THE DRIVE-IN! (WE CAN TEST YOUR SHOCKS IN YOUR CAR!) NEXT YEAR, WHEN WE GET OUR CARS, WE'RE GONNA HAVE A BLAST! WE'RE GONNA KILL WILSON. I HOPE BARTH SUFFERS! WE'RE ALL GONNA WORK ON OUR STROKES. WE CAN IMPROVE OUR DIVES TOO. I KNOW YOU'LL GET BETTER, TOO! THIS YEAR ON YOUR DIVES, WAYNE GAVE YOU AN 8, BILL A $7\frac{3}{4}$, AND I GAVE YOU A 10! NEXT YEAR YOU BETTER GET ALL 10'S! I'M ONLY JOKING! HAVE A GREAT SUMMER AND A FANTASTIC LIFE. SEE YA SOON. I HOPE WE HAVE LUNCH THE SAME PERIOD NEXT YEAR. I LOVE YOU. Jeffrey Scott Wisdom

OH WHAT A FEELING!

The exhilaration of being a Lancer was felt by every student in 1983. The adventures of learning formed an exciting path that enabled everyone to participate in academic choices which would prepare him for a successful life after graduation. Chemistry explosions, complicated mathematical permutations and conjugations of strange Teutonic verbs were important ingredients in the total learning experience which spiked the interests of Lancer students. Additionally, the extracurricular activities which dominated the after-school hours helped Lakewood to fulfill its goal of producing students who were athletic and cosmopolitan, as well as scholarly. From the confusion of a sophomore's first day on campus to the anticipation of a senior on graduation eve, students felt the pride, joy and sense of accomplishment that combined to make them Lancers.

1. The force of a chemistry explosion amazes JOE SANTIAGO. 2. The prospects of graduation brought out special feelings in SUE CREMONESE and DAVID VITWAR. 3. ALEX DIXON gains yardage against Wilson. 4. The LANCER had the feeling. 5. MR. KREBS performs his version of the Nestea plunge. 6. The Lancer Band waits at a noon rally.

AWAKENING

Each dawn brought a new day and anticipation of what would occur. Although waking was never a favorite activity, there was plenty to do each morning. Athletes and madmen headed to the pool, the beach, the courts or the track. Scholars and Lancers with afternoon jobs arrived on campus at seven a.m. for a zero period class, while others attended predawn lectures on calculus at City College. With school starting twenty minutes earlier, most Lancers rushed just to beat the eight o'clock tardy bell. Awakening, however, was more than just making it to school. The innovative academic program inspired many, while the widely-attended ROP classes gave Lancers a head-start on their careers. The ESL students were eager to learn a new language and a new culture. Many students became aware of the fact that they could achieve many of their dreams if they persevered.

1. BOBBY KILEEN, JEFF JONES, MIKE DE GRAZIA and PETE STAITI go surfing before school. 2. JEFF NIELSEN often needed reminding of the new bell schedule. 3. The ESL students listen in awe while MRS. SWAYZE explains an English assignment. 4. DINA MILLER sprints home ahead of RICHARD GRAVES and BRENT JENSEN. 5. DONNY HERRELL and BRAD DAVIS are awakened by the sight of LAURA ROBERTS. 6. LISA GOMEZ gets some friendly help from MRS. BAKER on opening day.

The feeling of accomplishment in having reached a goal was highly prized by Lakewood students, faculty and administrators alike. Although the goals varied for each, the sense of achievement was common. For some it was getting a driver's license or making it through an Advanced Placement British Literature test, while for others it was becoming proficient on the new word processor or getting the lead in a drama department production. Many Lancers spent extra hours studying to achieve grades that would enable them to enter a particular college; others spent uncounted hours lifting weights, practicing for orchestra, writing for the LANCE or training for sports. The goals were academic or athletic, group or individual; but they had one thing in common, accomplishing them was a great source of pride.

1. MRS. OTTO rewards JIM FOGG with a Gold L for his valuable contributions to the school. 2. PAM RUDD learns the intricacies of operating the new word processor from MRS. HARVEY. 3. After months of trying, the automatic teller finally pays big dividends for BILLY FIX. 4. MRS. KEPHART'S AP British Literature class throws its study cards in relief after taking a draining test. 5. MRS. RIGARD helps RONALD STEIN decide on which college to attend. 6. A gargantuan effort is made by RICHARD SCHOENBERGER to surpass a previous goal.

GO for
WIN

Being a Lancer meant something different and something special to each of Lakewood's 2,476 students. For many it meant belonging; LHS offered pep groups, athletic teams, performing groups, a wide variety of clubs and many special classes. It also meant being involved. The PTA drive, homecoming booths, float decorating and running for office were a few of the myriad of opportunities for involvement. For others, being a Lancer meant spending time with close friends or with that special someone. There were excursions to local tourist attractions, time to go skating with friends, a chance to ride a tandem bicycle or a few moments to relax with some good music in between homework assignments. In whatever form it took, being a Lancer meant enjoying life and living each moment to its fullest.

MAKING FRIENDS

The first step in making friends is probably the hardest; however, at Lakewood High School that move was never difficult. An open and relaxed atmosphere permeated the campus and made relationships blossom. Getting acquainted began the first day for many sophomores who asked, "Can you please tell me where the 900 building is?" Working together on cabinet, building a homecoming float with a class senate, helping prepare a school newspaper article with a fellow reporter or just getting a little extra help from a whiz-kid in computer mathematics all fostered relationships that were long-lasting and meaningful. The extra time spent by staff members to help students developed a special and deeply appreciated type of friendship. Whether it was on campus or off, no one remained a stranger at LHS.

RAISING SPIRITS

Big Red pride has long been a southland legend; 1983 was certainly no exception. The Lancer spirit was evident everywhere everyday, but color and rally days were especially important in keeping the spirit alive. All of the outward signs were gratifying: "Big Red Country" emblazoned on the stadium wall, prominently displayed posters in glorious red and white, early and late rehearsals of ROTC and band, pepster practices, grueling athletic workouts, Citadel and fundraising sales, the midnight flurry of float building and the mighty Lancer strutting proudly during a pep rally. All of the classes actively participated in student government. Both cheer squads went to extra lengths to set the proper tone. However, there was also an inner spirit that was not quite as evident. It was in the hearts of all Lancers, present and part, and was a feeling of pride in being a member of LHS.

1 MR CLEMENS cranks out the National Anthem 2 KRISTI HANNS twirls for the crowd 3 The diploma and flags were symbols of pride and accomplishment 4 MR GARSKE and the BAND were integral parts of the school spirit 5 MRS HANSEN and the MASCOT show who is number one 6 LORIE GRIMES and DAVE VITWAR help in the cabinet's poster production line 7 Finding HEATHER CLISBY'S lunch money was no problem for the cheerleaders

One of the warmest feelings experienced by every Lancer was the one that comes from helping someone else. Staff members helped by supervising, as well as keeping the campus clean and safe. Teachers were always available to give extra academic help. Many students found that the librarian and media center expert were among the best resources. Administrators kept busy arranging schedules, tracking graduation requirements, suggesting electives, promoting scholarship and telling students about various colleges. One of the greatest aids in academic achievement was that friendly student who invited a colleague to study with her. Students shared their triumphs as well as giving a shoulder to cry on; there was always a great satisfaction in helping another.

Value for the dollar was a major concern for all Lancers. As the recession wore on, smart shoppers paid regular visits to thrift stores in hopes of finding the ultimate bargain. Designer shirts and bermuda shorts also made a comeback. The transportation dollar was valuable too, as Lancers took to the streets by bus, on foot, skateboards and bicycles in increasing numbers. For those who were fortunate to have wheels, fog lights, graphics and wink mirrors were more affordable as gas prices slid toward the dollar mark. E.T. was the "man" of the hour; he found a warm reception from the LHS switchboard when he dialed 425-1281. Space-age entertainment like personal stereos and video games were especially popular. The year was characterized by an eclectic mix of the past, the present and the future.

LIVING IN '83

BEING TOGETHER

The cosmopolitan atmosphere at Lakewood was fostered by a diverse group of students who joined together to learn about and to appreciate one another. AFS student Apostolos Mantoykas was an enthusiastic source of information. The varied and colorful backgrounds of the ESL students were an important part of campus life. Faculty members shared their knowledge, experiences and time both in the classroom and in extra-curricular activities. Team sports added a special dimension to the idea of togetherness. Friends shared their hopes, fears and dreams and kept each other busy with shopping trips, cram sessions and weekend excursions. Finding that special someone with whom to share Lancer life made being together a very rewarding experience.

GOING IN STYLE

What was "in" in '83? Almost anything! The widest variety of fashions seen in years were worn by the Lancers. The miniskirt appeared in almost any configuration imaginable. For a more formal image, the tuxedo look was the way to go. Rockabillys appeared on campus listening to the strains of the Stray Cats. Preppy was the "classic" look, and copies of **The Preppy Handbook** were found tucked in many lockers. The original Southern California look, the "surfer" style, never went out of fashion. Whether it was a surfin' woody, a four-wheel drive truck or a Rolls Royce, any mode of transportation was popular. The entire student body seemed to be going in style in 1983.

1 For TERI LOCKERMAN and MARLA LAWRENCE dancing and walking wasn't difficult to do. 2 TAMI CODD, TINA MOOSE and DEBBIE WELLS model their miniskirts. 3 Rockabilly styles helped MIKE MORENO DARREN GRANT KARI MANN TAMI BUMGARTNER and ACEY MARTINEZ bring back the 50s. 4 With bow-ties and no tails the tuxedo look made ANN RUPP JAMI BARCLIS DIANNA JONES and KIKI AKBAR dazzle. 5 Preppy was the style for CRYSTAL EBLE KEVIN MOYLAN PAUL JACOBSON STACI HUSON MARK ARMENDARIZ JULIE POTTS CHARLENE ELKINS and ROBERT MOLDANADO. 6 SKA boy DENNIS SALAZAR gives CHRISTINE HEATON a puppy. 7 Doing the surfer jump are ROBERT VI. Lakewood High students had so many opportunities to get involved that the problem often became choosing exactly what to get involved in. "Hands-on" classes such as art, home economics, industrial arts and journalism were always full. Fund-raisers like pancake breakfasts and special sales required much advance planning and preparation. Many Lancers chose to get involved in varsity or intramural sports where the competition was both fierce and friendly. Others filled their spare time with off-campus jobs and learned of the rewards and responsibilities of employment. The multitudinous hours spent by band, orchestra, sports, clubs, special projects, cabinet and journalism were in addition to the many hours spent on homework. This was a year of total Lancer involvement.

GETTING INVOLVED

The feelings of anticipation, pride and concentration were combined into one as Lakewood was determined to show the campus, the community and the world what sort of talents the Lancers possessed. Performances took many different forms; there were both solo and group, athletic and poetic, competitive and cooperative. Each type had one common thread; the final performance was polished and was the result of long practices and intense concentration. Excellent presentations by the orchestra, the Madrigals, modern dancers, the ROTC Drill Team and the thespians highlighted the year. The school play and the musical were particularly outstanding this year. Lancers strove for perfection in all of their performances in 1983.

KICKIN' BACK

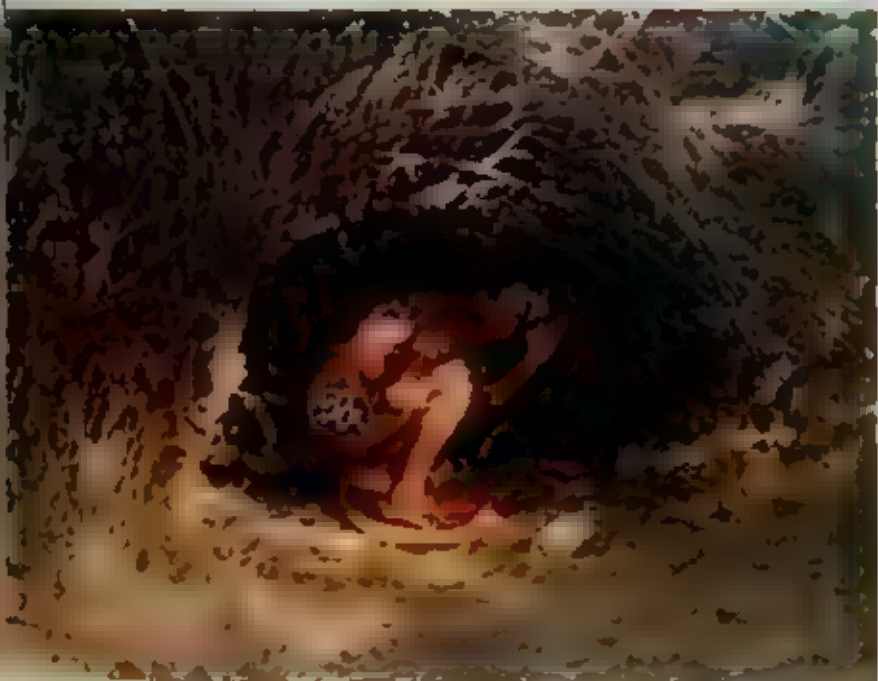

When it came to rest and relaxation, Lancer preferences were widely divergent. Some enjoyed curling-up with a good book while others found less sedentary ways to spend their extra time. Weekends saw many students head for the beach for surfing or scuba diving, to the mountains for fishing and snow skiing, to the desert for riding motorcycles and ATC's, to the lakes for water skiing and to diverse parts of the world to learn of other cultures. More Lancers attended motion pictures than ever, with "E.T. — The Extra Terrestrial" and "Fast Times at Ridgemont High" ranking among the favorites. Whether it was an all-out beach volleyball match or a quiet drive-in date, no one had as much to do or as many places to do them than Lakewood students.

SEEKING NEW HORIZONS

Lakewood High School was known for its proud traditions; however, in 1983 it was also renowned for looking toward the future. A computer, advanced audio and video equipment and the latest type-setting machines were all available to Lancers. Groups such as the Space Club were ready to explore the world of tomorrow. For planning the future on a more personal level, the counseling and career centers proved a valuable source of information on educational and employment opportunities. The outstanding performances by the Lancer band proved that many would have musical futures, as well as being able to enjoy music for their lifetimes. The graduation ceremonies brought the realization to seniors that their future was at hand; they were prepared to meet it.

1 MR SULACK helps MILLIE THORNTON plan her future with the help of the CIVIS computer in the career center. 2 Long Beach City College Counselor BILL SEAL gives BRIAN SAUPE advice on which classes to take next year 3 ROBERT BURG becomes proficient in graphic arts as he uses the new Vari-type machine 4. The Queen and Her Court

A traditional ceremony marked the crowning of the homecoming queen and her court. Before a stadium filled with alumni, students and parents, the nervous nominees awaited with anticipation the final announcement by Mr. Mullen. A mood of jubilation broke over the audience as the last envelope was opened and Queen Patty Brooks was named. As Andrea Paul, the 1981 Queen, passed on the tiara and cape, the tears of joy expressed the feelings of all who attended the 1982 homecoming.

Band

"Right Face!" "Left Face!" "Parade Rest!" The drum major's commands instilled the discipline necessary for a cohesive marching unit. The precision unit demonstrated an unprecedented esprit de corps as the nattily uniformed band members displayed their great talents. Under the direction of Daniel Garske, the group gave many memorable performances, including numerous concerts, pep rallies, halftime shows, community events and Back-to-School Night. Competitions were a major part of rating the band's playing, marching and formation abilities. The sixty-seven member unit was a proud part of LHS.

Varsity Cheer/Song/Flag

The varsity cheer squad performed several novel routines which kept the adrenaline flowing for the Lancer fans. Their contagious enthusiasm was a major factor in boosting school spirit. At noon rallies and games they could always be counted on to give that extra measure of moral support that every team needed. The song girls were another important part of raising school spirits. Their outstanding co-ordination and performing skills were evident in every routine. Flag girls garnered high praises from all who witnessed their 1983 routines. Their well-rehearsed performances were a delightful part of keeping Lakewood zeal at the top.

Pepsters

Every Lakewood pep group displayed an extraordinary amount of spirit. From the jumping mascot to the pyramiding yell groups, all parts of the pep parade were well-rehearsed and added new and interesting routines. To supervise and co-ordinate all of these functions was the duty of the pep leaders. They spent untold hours during the summer, after school and at lunchtime to perfect and hone the final routines. The importance of all of the captains' and lieutenants' work was noticed little by most students; however, to the girls under their guidance, their advice, knowledge and patience became the critical factors in the success of any routine.

A re-organization of the traditional pepster groups led to expanded routines and a variety of different performances. The Color Guard included the Bannerettes and the Rifle Squad. As such, the combination proved a hit, especially the addition of the rifle routines and the tall flags. One common factor among these groups and the Bannerettes was that all received new uniforms. The snappy hats and colorful red dresses with white blouses lent a splash of color on rally days. Majorette Kristi Hanns also kept the action going by dazzling the crowds with twirling feats extraordinaire. Of course the JV Yell girls could always get a big cheer for their unusual routines and yells.

Orchestra

Each finely tuned instrument was a great part of the total sound which the orchestra produced. Under the skillful baton of Daniel Garske, the orchestra attempted to play more difficult selections. Not only were they successful in this endeavor, but they provided aspiring musicians the chance to demonstrate their talent in solos. The fall musical program, along with the Christmas concert and spring musical, proved the abilities of all of those involved.

Vocal Music

As the sopranos strained to reach the high notes and the bass section went for the lower ranges, the entire musical congregation worked as a unit to provide pleasant musical moments for Lancers. Under the outstanding leadership of a new musical director, Mr. Marc Clemens, the vocal groups turned out some of the most impressive performances seen in years. A change in both music selection and costumes gave the singers a fresh new image. Innovations in the traditional Christmas program added a certain flair and boldness that captivated the audience. New selections of great difficulty were presented for the enjoyment and delight of all. Working and striving as a single unit, the singers, along with the entire music department, undertook the major task of presenting an excellent spring musical extravaganza, "Hello Dolly!"

"You Can't Take It With You"

The all-school play, "You Can't Take It With You", was presented by the LHS drama department and received critical acclaim from its audiences. The action of the play takes place in 1936; Franklin D. Roosevelt is President of the United States at this time of great economic depression. Out-of-work Americans who are down on their luck sell apples in Time Square. The more fortunate Americans trudge off to work each morning to the mournful strains of "Brother, Can You Spare A Dime." The wealthy, untouched by hard times, while away their time dancing to "Goody, Goody" and "We're In The Money." Meanwhile, everything is well in the madcap household of the resourceful Grandma Vanderhof in uptown Manhattan near Columbia University. In the summer of 1936, the spirit of fun, freedom and prosperity lives on in the off-beat antics of Grandma Vanderhof and her eccentric family.

Cabinet

Profitable and productive were adjectives that described the 1982-83 cabinet. Inspired by Fall President Anne Nishikawa, the leaders ignited school pride with many exciting homecoming activities. As hosts of the annual all-district leadership conference, Lakewood's cabinet exchanged ideas with neighboring schools. Successful activities were also the hallmark of Spring President Glenn Harless; the student body was enthralled by the Sweetheart's Ball, the VW stuff, a Sadie Hawkins dance and the culmination of the year, the senior prom. Activities Specialist Jim Mullen was instrumental in the success of all of the cabinet's work.

LANCE

The LANCE staff was dedicated to excellence in journalism as it published exciting editions which accurately depicted high school life. The addition of the Varitype machine allowed the staff to typeset the entire paper on the campus, while the use of a new paper stock gave the LANCE a more polished appearance. Another difference was that the "assylum" had a new warden, adviser Richard Garretson. His coordination of five returning veterans, sixteen free agents and three rookies was instrumental in the publication's success. Led by editor-in-chief Liz Moore and page editors Jodi Blake, Danny Davis, Julie Cabos and Jim Krug, the staff dazzled the student body with their skills. With the sometimes humorous cartoons of Glenn Harless, the complete school paper was issued ten times, an amazing feat in the face of such obstacles as "\$20,000 Pyramid" games and trying to guess the identity of "Dave the Wave."

1 Photographer BOB QUENEAU is amazed by GLENN HARLESS' description of a camera. 2 The typists look on while SHARILL HANNS happily pounds the keys. 3 The LANCE reporters were not known as the most serious group on campus. 4 Cartoonist GLENN HARLESS is proud of his creation. 5 The page editors were JULIE CABOS, JIM KRUG, DANNY DAVIS and JODI BLAKE. 6 Editor-in-Chief LIZ MOORE and MR. GARRETSON go over the latest issue as "CUBBIE" MARKWITH looks on. 7 The awesome LANCE staff strikes a pose.

Citadel

The greatest challenge of the yearbook staff was that of trying to out-perform last year's class; the 1982 edition of the Citadel placed second in the prestigious Columbia University School of Journalism competition. More creativity in layouts was stressed, as well as seeking innovative photographic techniques to use in the book. The dreaded jobs of writing copy and captions became less of a chore as nimble minds began to work. The editors strove to direct their minions in the use of proper journalistic style, cropping methods, art conversions and the many other facets necessary in yearbook publication. The Citadel class contained some of the school's finest students, each of whom worked diligently to produce an annual that the student body would like.

1 The academic section was composed of such fun-lovers as SUSIE PHAN, CARLA BUTLER, MARK JOHNSON, DEAN PHILLIPS and SANDY PAYTON. 2 CARLA RODRIGUEZ and MARY GRAVES alphabetize class pictures while ROB ALVES and CHRIS BLACHOWICZ work on sports. 3 The funky editors were at their worst, they include ROBBIE KIRBY, SHANNON O'NEIL, LAURIE SEMON, GLENN HARLESS, ANNE NISHIKAWA and DAVE ANDAZOLA. 4 Kickback artists MARK ARMENDARIZ, LORI ANSORGE, TERRI ANDERSON, JEFF JONES, PATTY BROOKS, ROBIN RIBAYA and MICHELLE CASTILLO follow their leader, EDITOR HARLESS. 5 Advisor QUENTIN "THE CROPPER" WOOD registers disapproval at the drawing of his double chin. 6 The real workers of the class were JULIE CABOS, JULIE FITZPATRICK, KENDALL BROWN and DANIELLE KESSEFENICH. 7 HEATHER CLISBY expressed her feelings about JEFF NIELSEN, SHANE LARKER, LORI SHROTMAN, JEAN NAGLE, CHRISSIE KAVENEY, JODI GRAY and JEFF LAING.

NJROTC

The ROTC unit was the place to be if a Lancer wanted to learn about the intricacies of life in the military. Commander Johnson and Master Chief Borchardt arrived on the campus early in the morning to make sure that all was ship shape. Among the many lessons taught on military science, there was plenty of time for the development of friendship and unity. The drill team epitomized the spirit that was to be found in ROTC, its much decorated standard was a source of pride for the entire school. The cadets concentrated on academic learning, as well as physical fitness. With their uniforms and ribbons as proof of their accomplishments, the ROTC unit was a credit to the Navy and to Lakewood High School.

Winter Formal

The California Room of the Long Beach Convention Center was the scene of the 1983 Winter Formal. Sponsored by the LHS Student Council, the event evolved into the social occasion of the season. The band Rembrandt rocked the room of revelers with outstanding renditions of "Truly", "Let's Go Dancin'", "Who Can It Be Now" and "Superfreak". The great music kept the dance floor packed with the chaperones, faculty and students. The combination of the music, decorations, setting and dancing lent a special ambience to an evening that provided great memories for those who were there.

1 MR. MULLEN and the CABINET were overjoyed with the success of the dance. 2 RICHARD GRAVES and KIM STRAUß share a happy moment with TIM JOHNSTON and BEA ESPARZA. 3 WALTER MC CULLEN and SHARON GREEN take a break to think about the dance. 4 PAULY JOCKOS and TEREK CHRISTENSEN enjoy the music. 5 DANNY FLIMING and LILYN DJIE found the floor crowded but congenial. 6 REMBRANDT'S music impressed the dancers. 7 KRISTY FRYER and CRAIG CARNEY sit one out. 8 Some couples could really match the band's beat. 9 MARGARET RAINIER and RICHARD SHOENBERGER share a quiet moment together. 10 RONNIE EWART and CHRISSIE KAVENEY were constantly dancing.

Varsity Football

The varsity football team was full of surprises; in a complete turn-around from several disappointing seasons, it fought its way to the quarter-finals of CIF competition. The offense was paced by All-South Coast quarterback Kevin McLean and tailback Alex Dixon, while the defense was sparked by All-South Coast selections Rich Schoenberger and defensive end Shane Larker. The gridiron gladiators opened the season with a bang by crushing always tough Paramount, 33-7. During the rout the Lancers rolled up over 500 yards, most of which came from McLean's mighty arm which chalked up 343 yards, a Long Beach record. Lakewood took three out of four pre-season games, including shutouts over 7th ranked West Covina (28-0) and Artesia (40-0). The team opened Moore League competition by dumping Compton. In front of a sell-out homecoming crowd, it then beat Millikan to recapture the Hamilton Trophy. With a single league loss to Wilson, the Lancers bounced back under the tutelage of All-South Coast Coach Bresnahan to crush Jordan and Poly, and end the season with an 8-3 record as Moore League Champions. CIF proved more difficult for the Lancers; after defeating Bishop Amat, the team fell prey to Alemany in the quarter finals.

JV/Sophomore Football

The JV and sophomore football squads went through major changes. Coach Melvin, who last year led his sophomores to a tie for the league title, became the chief mentor of the JVs. On the sophomore level, Tim Van Scoy, a former Lancer player, took over the reins. The JVs got off to an explosive start by winning three of their four preseason contests. They were paced by a strong offense led by quarterbacks Fred Aguilar and J.J. Matson, as well as tailback Jim Witkowski. After suffering the loss of three key players to injuries, the team ran out of hope for another league title. The gridders finished with an overall 3-2 record and settled for a third place in league. The sophomores, meanwhile, ended their season with a disappointing 0-9 record. Led by fullback Danny Lynch, these Lancers piled-up as many yards as their opponents, but failed to make enough endzone appearances to tip the scales.

Boys' Soccer

Soccer was the latest addition to the LHS sports program, and both the varsity and junior varsity teams turned in excellent performances. The varsity showed both skill and determination throughout the season as they tied Jordan but were defeated by a tough Millikan squad in their last game. As co-champions of the Moore League, they drew Cabrillo as their first CIF opponent and failed in a brilliant second-half effort to prevail. Alex Ortiz, Jesus Rodriguez, Pat Gray, Jose Alamo and Cameron Beaulac were among the varsity stars. The JVs were undefeated until the final Millikan match, which determined the league title. Although they gave it their all, it was not quite enough and they ended the season second place on Moore League.

Girls' Soccer

Lakewood's girls' soccer teams proved to be fast, exciting and unpredictable. Both the varsity and JV teams dominated Moore League competition. The varsity got off to a disappointing start by being beaten 3-0 in their first match against Millikan. However, the girls made a remarkable comeback by going through the rest of the season undefeated and thereby winning the Moore League crown. In addition to winning league in their first-ever season, the Lancers earned a CIF berth. In an extremely long game which ran into two ten-minute overtimes, the girls were finally forced into taking five alternating penalty shots, which resulted in a 2-1 loss. The JVs competed in only three games due to the fact that Millikan was the only other league team to field a JV squad. The Lancers tied the Rams in the first two outings, but were triumphant in the final contest and became Moore League champions.

Varsity Basketball

Coach Tim Sweeney's '82-83 hoopsters disproved the comments of many cynics by finishing a very respectable second place in Moore League competition. Paced by the outstanding play of senior forward Kennedy Dixon, who averaged twenty points a game, the team started working as a unit during the second round of league play. Returning CIF letterman Tony Pope provided the necessary hustle to keep the momentum going. The overall record of 19-8 was respectable enough; but the league ledger of 7-3 was only one off the school's all-time record. Coming close to a tie for league honors, the team lost a double-overtime thriller to a fired-up Wilson squad. CIF competition proved rougher for the Lancers, who bowed out after the second round.

JV/Soph/Reserve Basketball

The junior varsity basketball squad began the season with an outstanding showing in the Los Alamitos Christmas tournament. After a great deal of determined effort in pre-season play, these court magicians moved into Moore League competition. Although the overall record was not good enough for a championship, the fine play of such standouts as Gary Cave, Bill Putren and Steven Sears provided many exciting moments. The sophomore squad, under the expert coaching of Jack Krebs, finished second in the Lakewood Invitational tournament. Todd Link and David Pena led the team during the season and proved to be the key players on the squad. Coach Boehmer's sophomore reserve team took the Moore League by compiling a perfect 10-0 record. Girls' Basketball

For exciting, fast-paced action, Lakewood fans could do no better than to attend a girls' basketball game. The female hoopsters provided all of the thrills a person could ask for. In their bid to gain a CIF berth, the lady Lancers were led by standouts Jill Wells, Paula Brodeur, Cynthia Robinson and Russia Madden, along with senior Tracy Fauber. Their 15-4 record was indicative of the type of play they produced. Coach Bresnahan's expert guidance was a key part of their success. The junior varsity squad also had an exceptional season. Coaches Blazer and Goahagen spent long hours in helping the JVs perfect their game.

Water Polo

After a series of mediocre seasons, the Lancer water polo teams forged through a tough schedule to restore their former luster. The varsity, under the expert direction of Coach Nicholson and led by captain Ken Woods, provided a great number of close and exciting matches. In an exceptionally close game against Poly, the outstanding play of Keith Austin gave the Lancers a 13-12 victory. Although arch-rival Wilson proved difficult to surpass, the poloists posted an overall 7-7 season, good enough to enter CIF competition. Standouts Rob Alves, Keith Austin, John Berg and Kris Leidich were instrumental to the team's success. Coach Barth and his sophomore squad placed a very respectable second place in league. The potential of such players as Tim Robinett, Wayne Gidley and Scott Coffee gave more hope for the future.

Swimming

From the early morning and late afternoon practices to the day of the meet, among the school's most dedicated athletes were those on the swim team. The coaches predicted that this year's aquatic superstars had an excellent chance to finish high in the league standings. For the boys' teams, superb-swimming brothers Kris and Kerry Leidich had excellent times in the freestyle events, while 100 yard freestyle expert Jim Redfern and breaststroker Keith Austin led the field in their events. The girls' teams had at least equal talent to the boys'. Lilyn Djie and Elizabeth Turner could be counted on in the freestyle. Chris Blachowicz and Cindy Mathewson in the backstroke, Christina Rizzi in the breaststroke, and Shannon O'Neil in the 100 yard butterfly. The stellar performances of all of the swimming teams were among the sports highlights of the year.

Varsity Baseball

Herbold's Heroes were ready to march to back-to-back Moore League championships this year. After fine pre-season play which saw Lancer victories over such stalwarts as Loara, Westminster, St. John Bosco and Marina, the team was ready to mash the Moore League contenders. Outstanding pitching from Jim Krug, Curt Wallach and Larry Casian was the Key to the team's success. Lancer bats also became a hot item; Ron Ewart's homer against Jordan was instrumental in the 8-1 victory. Fred Hanker, who went 4 for 5, and Jeff Robinson, 3 for 4, pounced on Poly for another win. Compton fell 10-5 on a rainy field as the Lancers continued their winning ways.

JV Baseball

Lancer junior varsity baseball teams have dominated the Moore League for eleven of the past twelve years; 1983 would prove to be another winning season for these intrepid ball players. Pre-season play saw strong Lancer performances; Ted Strong and Dan Bryant outgunned a tough Westminster team 10-1. The Lancers slipped by Marina 1-0 before their match with St. John Bosco, a slugfest which the Lancers dominated in an 8-4 victory. Kirk Shridder's homerun in the Westminster match was only an indication of how hot the bats could become once the team was fired-up. Pat May was also a heavy hitter, while Jeff Laing's out-fielding talents were used to snatch several potential base hits from opponents. JV baseball drew a large following, and the fans could always count on expert and exciting play.

Softball

Because of their depth and versatility, this year's softball team proved to be one of the finest in the school's history. One of the season's highlights was capturing the Torrance tournament championship. Led by the awesome pitching of sophomore Kay Hadley and assisted by the spectacular fielding of shortstop Jill Wells, the Red Machine just could not loose. After eight and one-half scoreless innings, Stephanie Trejo's hit was bobbled by Mary Star's centerfielder, thus scoring Jodi Blake from second base. All-tournament honors went to Hadley and Wells. With such a superior pre-season, the Lancers were sure to be league contenders. Although the JVs' start was somewhat rocky, by the time league play arrived the momentum had picked up. Barbara Taylor and Julie Poole were standouts on the JV team.

Cross Country

The 1982 edition of the boys' cross country team reached heights never before attained by a Lancer squad. Jose Quintana, Richard Graves and Bill Mejia achieved All-Moore League and All-City honors; they proceeded to lead the team to a seventh place finish in CIF competition. From Carlos Lopez's amazing finish against Millikan to Doug Barton's title clinching race in league finals, each team victory in the squad's undefeated season was marked by individual performances that once seemed impossible. The JV boys overcame a lack of depth to rise to second place in league finals. Veteran Dee Martin churned out the miles, while Craig Pierce and Brent Jensen placed high in league to lead the Lancer surge. The girls' varsity team began with a slow start, but responded after mid-season with victories over Poly and Jordan. Dina Miller, Kerri Brown and Shelly Williamson paced the team which wrapped-up a third place in league. Anna McComber, Kathy Johnson and Ramona Montijo led the JV girls to a second place finish.

Track

The severe spring storms that ravaged California also took a heavy toll on the amount of time the track teams had to prepare for league competition. No pre-season meets were held. Waiting for the end of the downpours, outstanding distance men Jose Quintana, Bill Mejia and Richard Graves took practice laps as they could, while Scott Williams worked on the hundred and Craig Carney sailed over the hurdles. On the distaff side, Coach Lind's superstars included Valerie Chov, Dina Miller, Heather Beard and Shelly Williamson.

Wrestling

Lancer grapplers turned in the best performances in years to regain the Moore League championships in both the varsity and junior varsity categories. Although they had fallen to the Rams 34-20 earlier in the season, the wrestlers came through in the league tournament to outpoint Millikan 170-158. MVP Julio Reyes led the team while other outstanding efforts were given by Chris Compton, Joe Adams and Galen De Costa. The Lancers won four individual championships and advanced ten wrestlers to the CIF finals. Meanwhile, the JVs had their most successful season ever; they were victorious in every match, posting a record of 10-0. Rick Maingot, the JV MVP, was helped in boosting the points by William Anaya, Don McCain and Joe Topasna. Superb coaching by Head Coach Dennis Lyman and JV Coach Robert Jurgensen was a key ingredient to the success of both teams.

With Americans becoming more aware of the importance of regular exercise, the sport of tennis gained new popularity. Coaches Jack Krebs and Phil Riley taught not only the fundamentals of the game, but instilled in their players the desire and determination that it took to win. Outstanding players such as Greg Shanberg and Mark Johnson led the team. Coach Pat Gonzales led the lady Lancers as they smashed their way to a second place in league competition, and eventually to the CIF playoffs. With double stars Kim Straub and Shannon Yarnell and All-League player Jennifer Djie, as well as singles Virginia Lonni and Kristen Kohlhaas, the girls worked together to make every Lancer proud of them.

Golf/Badminton

Golf and badminton, two sports that required finesse and refinement, sometimes went unnoticed by Lancer fans. However, no two teams spent more hours practicing and honing their skills than did these. Although the winter storms kept the golfers off the links for days at a time, such standouts as Matt Paul and Dave Eastman seemed to have a natural touch on the day of a match. Coach Gonzales led her badminton team to many victories; Kim Straub, Shannon Yarnell and Rosanna Sanches were counted as among the most valuable team members.

Participants took part in programs such as "Born to Dance" and "Hello Dolly", as well as the Christmas show. Volleyball

Awesome displays of power, versatility and finesse enabled the varsity volleyball team to post the best record in its history. The Lancers, under the superb coaching of Cathy Allars, went undefeated in pre-season, league and CIF. The ladies started their roll in the LBCC summer league by defeating such teams as Wilson, Poly and Millikan. In the El Camino tournament both the varsity and JV teams captured first places. Only a week later they continued showing their strength by taking the Millikan tournament. Pre-season play saw such powerhouses as Pius X, Marina and Los Amigos bow to the Lancers. Once seeded number one in CIF, the Lancer ladies did nothing to tarnish that honor; they beat third ranked Wilson and fourth ranked Jordan on their way to a perfect season.

CJF Champions

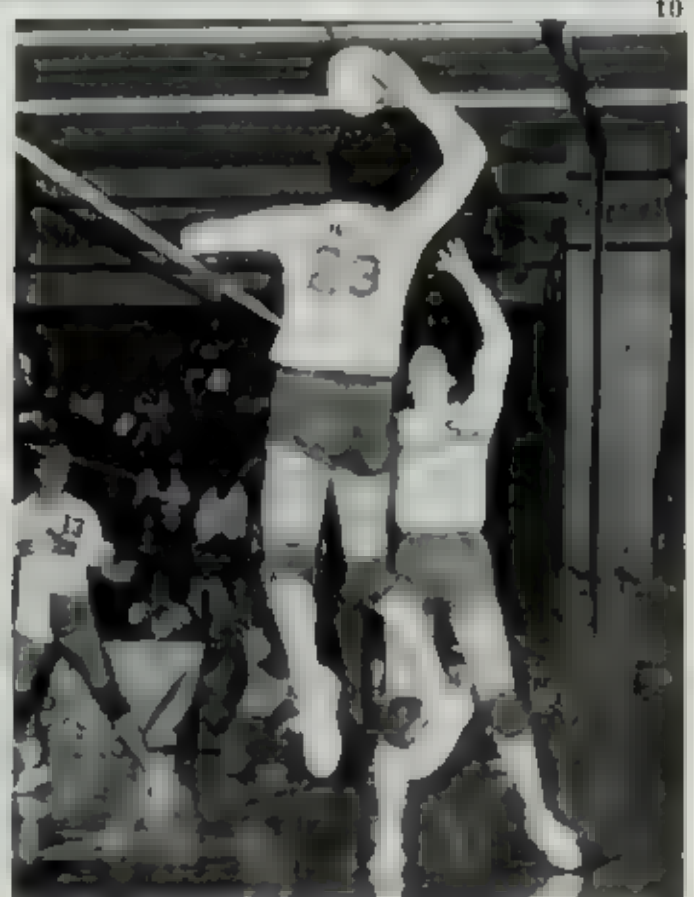

6

In the forefront of every Lancer's mind was the desire to capture the CIF 2-A championship for the school. In the first and third rounds of the playoffs, the Lancers got good draws and quickly dispatched the Artesia and Gladstone squads. However, in the second and fourth games the Lancers were faced by 1981 runner-up Royal and Jordan, which took the Lancers the full five games to defeat. The team then advanced to the CIF 2-A finals, playing La Habra whom they easily defeated in three quick sets (15-10, 15-5 and 15-5). Thus the squad became the first girls' Moore League team to win a CIF Southern Section Championship. Led by All-CIF players Laurie Semon, Jill Wells and Mimi Garibay, and coached by All-CIF Coach Allars, the team depended on the play of stand-outs Kathy Demers, Gale Lands, Chris Drown, Margaret Rainier, Kristy Fryer and Jolene Kane to clinch the championship.

Boys' Gymnastics

Patience and practice paid large dividends for the boys' gymnastics team as they spent hundreds of hours preparing themselves for the rigors of the sport. Under the guidance of super-coach Richard Flood, the gymnasts learned the skills necessary to perform with precision on the parallel bars, rings, horse and in the floor exercise. Exemplary performances were turned in by Scott Christen, Bobby Lyons and Stuart Miller. Collectively, the team showed that both brawn and brains were important ingredients of their sport.

The qualities of an excellent gymnast included poise, precision, endurance and control. Under the expert guidance of the girls' gymnastics coach, Cathy Allars, these characteristics were honed and polished until the entire team worked in unison. The girls spent untold hours practicing in order to perfect their skills in the floor exercises and on the uneven parallel bars. As the sport gained a wide national following, many Lancers competed to gain a position on the team. The Lancer Program

The future success of most Lancers could be directly connected to the classes they took. Lakewood High School provided a comprehensive program which satisfied the needs of every student. With the proliferation of elective courses in recent years, it took a wise student and his counselor to compose a program which would meet the student's needs. While some opted for purely academic pursuits in hopes of gaining admission to a certain college, others felt that work-related courses would benefit them more. Whatever the direction, each Lancer had the opportunity to choose a direction that would be best for him.

Special Opportunities

Many Lancers found that their school offered special educational opportunities which would allow them to further their education in several diverse areas. Advanced placement classes were especially sought offerings; college credit could be earned at the high school level in one of these "super" academic classes. LHS became a growing center of high tech equipment and many decided that word processing, computer mathematics or media workshops were the best things to learn for the future. Off-campus opportunities also blossomed; many Lancers enrolled in one of the exciting regional occupational courses which taught everything from horticulture to automobile body repair. PACE students were especially challenged by the accelerated learning process. American Field Service gave students a chance to travel overseas, while Capitol Classroom took Lancers to visit Washington, D.C.

Accreditation

Each high school in California periodically undergoes a process known as accreditation. A team of outside administrators and teachers visits the school to determine how well the school is functioning. Every facet of the institution is examined, and a report is given to the state and the school indicating the strengths and weaknesses of the institution. The eight-member accreditation committee visited with everyone on the campus. As a guideline, they were supplied with a 270-page "Accreditation Report" which described the progress the school had made since their last visit. The culmination of the thorough investigation was a committee report to the school. In it, the committee gave an excellent rating to the school, its administration, students and teachers.

1 DR JAMES GAUNTLETT presents the final report to the faculty 2 The Accreditation Committee, unites with student leaders to learn more about LHS 3 MS CAROL SPENCE and MR MARK GENERA asked probing questions about the school program 4 DR GAUNTLETT, leader of the committee, and MR ROSS SHUCKLER worked closely with one another 5 MR SHUCKLER, MS SPENCE, DR GAUNTLETT, MS WINCLA, MR HAUFFNER, DR STEELE, MS HEMPSTEAD, MRS HANSEN and MR GENERA get together prior to the delivery of the final report

Mrs. Helen Z. Hansen, Principal

Setting the policies for and operating an institution the size of Lakewood High School has always been a strenuous task; yet, when it is performed with poise and competence, it may look easy. Mrs. Hansen's ability to juggle all of the duties of a principal was instrumental in the smooth running of the school. Among her major concerns was the evolutionary process of increasing the emphasis on the academic program. She constantly stressed the need for a variety of courses which would fulfill the needs of a diverse student body. Her keen interest in LHS was evident in her attendance at most of the extra-curricular activities and by her sincere interest in Lakewood students. She could always find time to chat or to provide an answer to a question. Under her guidance, LHS continued its proud tradition of academic excellence.

HANSEN by CHRIS VIEIRA and SHERRY MOORE. 3 LAURIE SEMON and COACH CATHY ALLARS proudly present the principal with the CIF volleyball trophy. 4 MRS. HANSEN takes a spare moment to ask ALDIN AGUIRION how she likes working on the PHX. 5 The excellent LHS Administrative Staff included MRS. LYNN HAMBLY — Assistant Principal, MR. JIM MULLEN — Activities Director, MRS. BARBARA BROWN — Assistant Principal, DR. JOHN ERRATT — Assistant Principal, MR. ROSS SHICKLER — Vice Principal, MRS. HELEN Z. HANSEN — Principal and MR. RUBEN BRASSER — Head Counselor.

Administrators/Counselors

Whether it was for a drivers' training eye test, a scheduling error, a question about student activities or just someone to talk to, the administrators, nurse and counselors could always be counted on for help. Counselors had their hands full with the responsibilities for scheduling students, providing career and college information and reviewing graduation requirements. The varied duties of the administrative team kept them busy supervising attendance problems, maintaining good classroom control and attending the numerous extra-curricular activities. The school's accreditation was a major focal point for the administrators this year. Keeping 2,498 students interested, happy and healthy was the challenge that this group of professionals met with success in 1983.

English

As high school graduation and college entrance requirements became tougher, Lancers were more appreciative of the English department's diversity and quality. Students chose from thirteen different courses, ranging from the fundamental to the fantastic. Department offerings included four literature courses which focused on the traditional curricula of British and American literature, as well as expanding horizons with literature of the unknown. Sophomores honed their skills in writing and composition classes and brushed up on their reading skills in selective reading and reading improvement classes. Exciting electives, including film analysis, creative writing, drama and journalism, were eagerly sought classes. The innovative teaching techniques of department members were an important ingredient in the successes scored by English students.

Library/Media Center

The Lakewood High School library and media center have a wide-ranging reputation as being among the most advanced and innovative resource centers in the area. State-of-the-art technology was evident throughout the complex from the sophisticated electronic theft detection system to the video recording devices. The impending installation of the school's own television broadcast facilities and connection with the Lakewood cable operation are the latest achievements of this department. The dedicated team of Mrs. Cooke and Mrs. Guinn were always willing to guide students to the proper aisle, volumes, periodicals or visual equipment. Although needed skills still included the use of the Dewey decimal system and the Reader's Guide, the rapid expansion in the media fields made the library one of the most exciting places to learn on campus.

Science

Armed with microscopes, periodic tables, test tubes, equations and anatomy charts, the science department led students through the fascinating worlds of inner and outer space. Budding scientist had a wide range of selections from which to choose as the department offered ten different courses for the school year. Exploring science acquainted students with various scientific disciplines, while biology and anatomy courses focused on human structures and systems. Zoology whizzes examined fauna, as their counterparts in physics delved into forces. Those who elected to take one of the many photography classes became proficient in all phases of the popular field. Whatever specific course was taken, the science department provided an opportunity to understand the complex world in a new and exciting light.

Mathematics

Recent scores on statewide tests confirmed the outstanding job done by the math department. In a era that saw industry wooing many math teachers with high pay, Lancers were fortunate to be taught by an exemplary staff. The skills acquired by math students ran the gamut from computer programming to filling out income tax forms. The career math students gained competency in the decision-making and planning skills requisite for personal and professional success. Those is geometry and trigonometry focused on a theoretical and numerical understanding of the inter-relationships among parts. Every aspect of the discipline was explored with gusto as the math department helped Lancers prepare to become "tomorrow's leaders."

Social Studies

Social studies students concentrated their work on learning more about human relations, past and present, in order to give them a better understanding of the pitfalls and the potential of the future. While juniors studied their country's history, seniors spent long hours learning about their government. All Lancers could delve into such electives as sociology, psychology of love and marriage, world problems, current affairs, criminal law and economics. The rapidly changing world composed of a bloody war in Lebanon, a change in leaders at the Kremlin, a deteriorating global economy and great job insecurity gave social studies students a myriad of topics to discuss.

Foreign Language/ESL

Whether it was French, Latin, Spanish, German or English, learning a second language was a challenging, sometimes frustrating, but also a rewarding task. Faculty members patiently corrected pronunciations, helped conjugate verbs and provided help when ambitions exceeded vocabularies. Language instruction has always been an important part of the LHS curriculum; for those learning English as a second language, the classes were especially meaningful. The ESL program sought to speed the acclimation process by providing intensive training not only in language skills, but in cultural subtleties involved in communication as well. By fostering a better understanding among diverse groups, both the foreign language and ESL departments provided a strong basis for bettering relationships.

Business Education

Everything was up-to-date in the business department as both techniques and machinery were added to keep up with the rapidly changing world of commerce. Business students had the opportunity to familiarize themselves with the latest in typewriting and word-processing technology. Both business math and law courses helped to provide a strong general background, while specialized classes such as applied sales, accounting, shorthand, simulated office practice and legal/medical typing developed concrete and marketable skills. The business department prided itself in giving very useful training to graduates.

1. TINA HERRON learns a complicated typing maneuver from MRS. BUTTS. 2. BART BREWER pays scant attention to MR. FOERSTER's old "choke-'em-til they-type" trick. 3. DENNIS SALAZAR demonstrates his typing skills for MRS. DAVIS. 4. Instructions for the word processor are given by MRS. HARVEY to BECKY BOUDREAU, NICOLE MCBRIDE and TAMI HEAPS. 5. MR. MELVIN stresses the importance of a balanced budget. 6. KRAIG BENNET and TAMMY VAN SCOY learn accounting from MRS. GRACE. 7. TED FOTH is less than attentive to MR. KURTH's surprise.

Home Ec/Art/Music

The home economics department helped Lancers of both sexes develop and polish practical living skills. While courses in food and nutrition stressed the proper techniques for selecting, preparing and serving meals, parent and child, selective clothing and creative living helped create a better and happier life. The art department urged Lancers to look inside themselves to uncover creativity. If art works were pleasing to the eye, the outstanding performances of the music department delighted the ear. From the excellent Christmas program to the final strains of "Hello Dolly!", the musicians helped fill the campus with the sounds of superior music.

General Studies

General studies could have been an abbreviation for "sophomore introduction to practical and immediately useful knowledge." The department offered a three-part, year-long series of courses which included health, career guidance and drivers' education. Health classes introduced students to various forms of physical and mental diseases and their prevention. Sophs examined career and educational opportunities in career guidance. Completion of drivers' education was the first step in procuring that long-awaited first driver's license. General studies courses were among the most popular sophomore classes.

Industrial Arts

The LHS industrial arts department offered a variety of classes that were immensely useful. The technical skills that were taught were also marketable skills; many graduates were able to get entry-level jobs after receiving training in this department. Especially useful and popular courses included beginning and advanced automobile repair, industrial drafting, architectural drawing, metal fabrication, electronics and woodshop. The long hours spent by students working on specific projects were well worthwhile. The teachers in this department possessed skills which they expertly conveyed to their students, who learned to appreciate the values of precision, balance and detail.

Physical Education

While other LHS departments stressed excellence in academics, craft and art, the physical education department emphasized fitness, team spirit and competition. PE was a required course, and Lancer options included something for everyone: dance, volleyball, weight training, tennis, swimming, softball and team sports. Special attention was paid to the importance of regular exercise in maintaining good health. The department was also interested in teaching the aspects of physical education that could be enjoyed for a lifetime. PE rounded out a Lancer by getting him in shape, providing a productive outlet for his energy and setting the stage for competition and lasting friendships.

Classified Staff

The classified staff provided the support that kept the rest of the campus running smoothly. From compiling and updating academic records to verifying attendance, the office staff did its best to spot and correct problems while they were still minor. The cafeteria ladies made certain that daily selections were fresh, appetizing, ready on time and served with a smile. LHS staff assistants kept an eye on the campus and visitors, a big job on an open campus. While staff assistants provided safety, the groundsmen kept one of America's most beautiful high school campuses spotless and well-manicured. The combined efforts of the entire classified staff were instrumental in providing a pleasant place to learn.

I have been thinking about
 the seniors and how much
 they have grown and how
 much they have learned.
 I hope you all have a great
 year and that you will all
 be successful in whatever you
 do. I will miss you all but
 I know you will all be
 out there somewhere. I will
 be thinking of you all.
 Love,

SENIOR AUTOGRAPHS

CHRIS,
I couldn't have made it
through CITADEL without your
legs to inspire me. You're a really
interesting girl (a bit wet around
the ears) but interesting. Good
Luck in life & I hope you
graduate.

Love ya

[Signature]

Chris,
It was
great having you
English with me. It
wasn't it.
Drivers training wasn't
an experience I
didn't even crash
you hope you get your
license. I'm proud of you.
You were really nice.
Love ya.

Chris
It's been fun in P.E. without
you. And even funner in lacrosse.
Sorry, I was thinking
of someone else. Oh well
have a great summer.
Keep in touch love Shell; Huson

Chris,
I'm glad
you're
going to
college.
I'll miss
you.
Love ya

Chris-
 I'm glad
 we met you
 you seem to be
 a very sweet
 just take time
 a great love
 friend
 and I have
 a lot of fun
 with you
 Chris-
 I'm glad
 we met you
 you seem to be
 a very sweet
 just take time
 a great love
 friend
 and I have
 a lot of fun
 with you

Chris-
 It's been a real fun
 year and I'm glad you were
 in my class because I found
 out you a really sweet person
 and good friend I wish you
 to be as wherever you go this
 summer and have a good time
 too.

Chris-
 Health has been pretty
 fun, ~~hasn't~~ hasn't it? You've always
 been so sweet... and you still
 are!! I'm sure I'll see you during
 the summer! Have a good one!
 See ya next year!
 Bye...

Chris-
 Hey cutie! I'm so
 glad we have lasted two years
 here together! You are the
 biggest sweet heart!!!! Call me this
 summer, "K"
 Love ya bunches,

No matter what
 anyone says about
 your hair I think it
 looks good. I know
 I teased you a lot
 but I was just teasing
 I know you for all the great
 times we did or didn't have
 for you at home
 Love
 Phil

Chris,
 I'm glad I got to know you
 again this year, Ninth grade
 was pretty boring without you
 around. Too bad you left in
 the middle of English now
 its pretty boring in there
 Hope to see you in
 the summer
 Love Always
 Wayne

Chris

We had alot of fun in
 Chemistry and I hope
 you have a great
 summer Take care of
 yourself. Love Always
 Chris Johnson

Chris
 It was real
 fun having you in
 my Health class. Looking
 forward to seeing you
 in soccer next year.
 Hope you have a
 great summer.

Dear Charles,
It was a
great year!
I hope
we will
go on
2 years.
The same
real
friends
we will
become
next
year
I hope
you are
well
and
happy
as
always
Love

The Events of 1983

1. Pope John Paul II traveled around the world to promote world peace. His visit to Central American countries was a huge success. 2. Heavyweight champion of the world, Larry Holmes, won a thirteenth round TKO over Gerry Cooney. 3. Ronald Reagan stopped in England to visit Queen Elizabeth II on his return from a Paris meeting of the European economic conference. 4. Dustin Hoffman found that it was easier getting a job as a woman in the movie "Tootsie". 5. The world mourned as one of the truly fairytale characters of our time, Princess Grace of Monaco, was killed in an automobile accident. 6. A shocked world learned of Leonid Brezhnev's death twenty-seven hours after it happened; it was the first change in Soviet leadership in sixteen years. 7. A series of ravaging coastal storms hit California as raging waves gobbled up the beach. 8. The lengthy football strike caused many fans to wonder about the future of the game. 9. The popular book, "Real Men Don't Eat Quiche", added to the American macho mythology. 10. The world gave great support to Barney Clark, the first recipient of an artificial heart. 11. The horrid scare of drug tampering led many Americans to abstain from patent medicines. 12. One of the most controversial issues of the 1980s was that of the nuclear freeze. 13. Proud new parents, Prince Charles and Princess Di, produced an heir to the British throne.

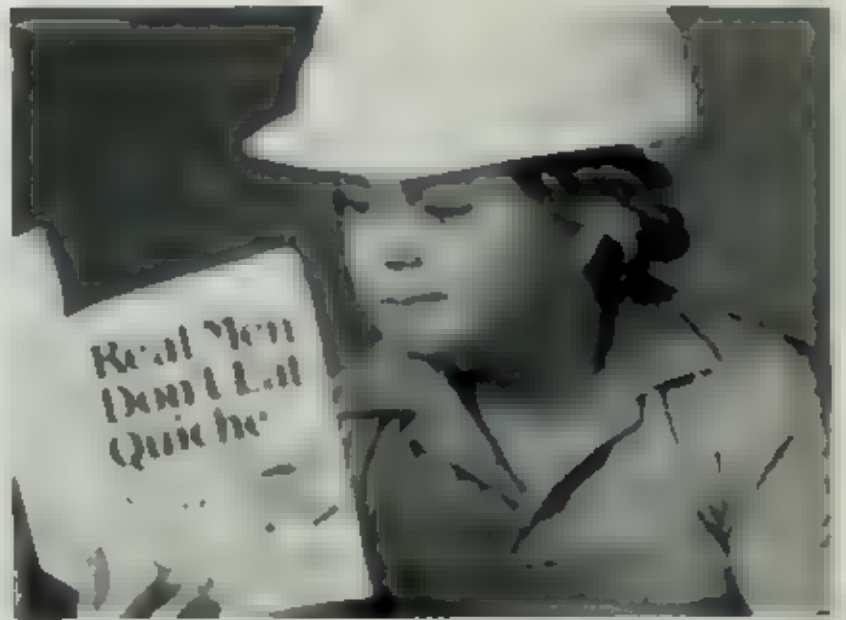

Chris,

It has really been a great year & really glad you
are coming back next year. What a super summer, keep
it up and maybe you will be ready for 1985. Have a
good summer. Best wishes!

Love Always,

Sharon Martin

Hi Chris
So we did it!
we finally beat Wilson.
we couldn't have done it
without ya! I'm glad you
made C.I.F. (Awesome)
so bad we couldn't have
gone together. Oh well
next year right?
Have fun working
at the pool! Hope
I see ya! Love,

Ha! Ha!

You thought I was just going
to write that little bit. Well what can
I say, you are the sweetest girl I know,
and I hope see you in many years to come,
in and out of school. In Citadel I ~~always~~
thought you were real sweet and I always
liked you. I hope to see you in Citadel next
year and I hope we get to work together on
the same section. During the summer give me a
call and we will go do something.

Well I don't know what else to say but if
I think of some more I'll finish.

Well see ya Next
Year.

I love
YOU

Chris,
I've been fun in Citadel. I wish
I had no school you were a sophomore
I thought you were a senior all year.
I want to wish you best of luck in your
future. You are a real fun and sweet girl.

friend - I would tell
about you know what
I did. Boy, it's too
bad I had to find out late!
Thank so much - I appreciate it.
Chris - I remember how we always
talked about everything - and you
always conived me into driving
you somewhere. I'm so glad I always
had you to "wrap" with. And how
much fun we had talking with
Susan about "skank" - our buddy.
And we are 1983 MCORE LEAGUE
